Arrow Alpha's PB3 Outdoor Bulletin Boards come with a Krommenie surface which is ideally suited to pinboards and makes it suitable for an outdoor application.

Krommenie is 'self healing' so the pinholes close themselves . It is made from renewable raw materials to ensure flexibility and durability and it always retains an 'as new' appearance.

PB3 Bulletin Boards come with a stylish, silver anodised finish aluminium frame and are available in 12 colours.

There is a large range of sizes to choose from and they last up to 25 years.
