

# Elkay Filtered EZH2O Bottle Filling Station

**Sanitary no touch sensor activation with automatic shut off**

## Product Features

- Space saving cooler and bottle filler station all in one
- Sanitary no-touch sensor activation with automatic 20 second shut off timer
- Quick fill rate

The Elkay Filtered EZH2O Bottle Filling Station is a filtered cooler and bottle filling station with a space saving design. The EZH2O quickly delivers a clean water bottle fill whilst enhancing sustainability by reducing the users dependency on disposable plastic bottles.

The Filtered EZH2O features sanitary no-touch sensor activation with automatic 20-second shut-off time and the built in Green Ticker counts the quantity of bottles saved from waste. The EZH2O also features 11,356 litre capacity WaterSentry Plus filtration with a visual LED Filter Monitor to indicate when replacement is necessary.
